Source: 2018 State Energy Efficiency Scorecard (December 2018 update)

*Net incremental savings refer to new savings from energy efficiency programs implemented in 2017 that have been adjusted to account for freerider and spillover effects. Where 2017 data was not available, data from the most recent evaluated program year is substituted.

**Sales include only those attributed to commercial and residential sectors.

Natural gas efficiency program spending (2017)
